

Rules and Expectations

1. Come to class prepared and ready to learn. The following materials **MUST** accompany the student to class **EVERY** day: textbook, three (3) ring binder, calculator, and writing implement(s).
2. Respect everybody in the classroom. This would include the following: teacher, substitute teacher, and fellow students. Inappropriate language/behavior will not be tolerated.
3. The use of electronic devices shall be prohibited in the classroom (see student/parent handbook). Cell phones cannot be used for a calculator (see #1).
4. Follow **LAB SAFETY** at all times. **NO** food or drinks are allowed during laboratories (as well as lectures). Please keep handle all laboratory equipment with care. If you notice any defects in materials, inform the teacher.
5. Talking while others are talking is disrespectful (see #2). Therefore, if someone is talking, everybody else should be silent. If you are talking, you may miss out on important information that will not be repeated.
6. Laboratory reports are due four (4) days from day performed. For example: if an experiment is performed on a Monday, then it would be due on that Thursday. Late reports will be penalized 10 pts per day (due date counts as 1 day late). If a report is not turned two (2) days after assigned due date, it is recorded as a zero. Experiments **MUST** be made up within 1 week or a zero will be recorded. If you are absent on due date, email the report to me (papaleop@sbrregional.org) or give it to a classmate.

SBRHS students are responsible for the following Somerset Berkley Regional High School Expectations:

Academic Expectation #1: Come to school prepared and ready to learn.

Academic Expectation #2: Develop and employ effective study skills.

Rules and Expectations

- Academic Expectation #6: Solve problems by reasoning critically and creatively.
- Academic Expectation #7: Assimilate, analyze, interpret, and evaluate information critically to become capable researchers.
- Academic Expectation #8: Demonstrate technological literacy as a tool for learning, research, and communication.
- Social Expectation #1: Demonstrate pride and respect for themselves and others.
- Social Expectation #2: Accept responsibility for their behavior and actions as outlined by the Student/Parent Handbook.
